Details

Wood Used

- Pine: A lightweight wood that is ideal for connections and fasteners
- Spruce: Good strength-to-weight ratio, with a smooth finish
- Douglas Fir: a very strong and durable softwood

Sustainably sourced timbers

We prioritise using sustainable sources of timber. We use FSC (the Forst Stewardship Council) or PEFC-certified (Programme for the Endorsement of Forest Certification) wood from responsibly managed forests in Northern and Central Europe.

Certification

Compliance & Certification Garden Play Ireland playsets meet or exceed all EU and UK safety standards including:

- EU General Product Safety Regulation (GPSR 2023/988/EC)
- UK General Product Safety Regulations 2005
- EU Toy Safety Directive (2009/48/EC)
- EN 71-1, -2, -3, and -8

Important notes

- For domestic use only
- Not suitable for children under 3 years of age
- Suitable ages 3-10 years
- Max user weight: 50kg
- Outdoor use only

Warranty

We offer a 2-year limited warranty from the purchase date. Timber is covered for 2 years against rot, provided all installation and maintenance guidelines are followed.

Warranty Terms

- Valid only for original purchases with proof of purchase
- Warranty is void if used in a public / commercial setting without agreement
- Damage from misuse, weather, improper maintenance or modifications is not covered
- For full terms, visit gardenplay.ie/terms

Ground and site Preparation

- Choose a flat, well-drained space. Avoid shaded, damp areas.
- Leave 200 cm of space around all sides.
- Avoid overhead hazards and underground utilities.
- Use shock-absorbing surface like grass, bark, or sand (50 cm depth recommended).

Installation Notes

- Anchor securely using pegs provided or concrete anchors where pegs cannot be used.
- Avoid placing slides in direct sun.
- Use spacers or tiles under posts to extend timber lifespan.
